

Yoga Retreat to Santorini with Peter Barnett

A BLEND OF THE ANCIENTS – YOGA & SANTORINI

Great poets have sung praises to Santorini's 4,000-year-old history. And the eternal rock continues to stand, strong and majestic, rising proudly from the sea and guarding well the secrets of Atlantis...

Open a window to the wonders of Mother Nature. Visit a place that will take your breath away, and leave you to wonder about the wisdom of the invisible hand that has created such beauty.

It has been said that the sunsets in Santorini are the best in the world. The views from the caldera of the volcano and neighboring islands are breathtaking. From the east, white, dark, and red sandy or shiny-pebbled beaches stretch for miles. Everywhere you will see small domed churches and remnants of days gone by.

Peter's love of yoga and travel has led him to Mexico, Holland, South Africa, and now to Santorini, Greece. Peter and Ana

Zorzou, owner of Yoga on Vacation and a resident of Santorini will be your hosts.

The body and mind are both strong and sometimes-conflicting entities, which yoga can help bring to a common understanding. This retreat will be a weeklong workshop, creating communication and awareness between the mind and body, the internal environment and the external. You will learn how to heal and strengthen the physical and emotional body through yoga as your practice will deepen.

This is an opportunity to live for a week in one of the world's most glorious destinations, an opportunity to flow into the rhythms of Santorini.

The Yoga on Vacation package includes: 7 nights accommodations, all meals, airport transfer on Santorini Island, two yoga classes daily, and unforgettable views of the Aegean Sea! (airfare not included)
